Questionnaire for nominees to the Presidium or to the Control Commission

(to be completed in by candidates and to be endorsed by nominating organisation)

1. What experience do you have in your organisation?

I've been the international secretary of my organization since 2003 and I also coordinate the gender group since 2006, inside the gender group we promote women rights and gender equality inside schools and with young women.

For several years I coordinated the youngsters group specially the project of the community library in Bogota, where we work with kids in danger of becoming gangsters on in danger of get involved with criminals, reinforcing the leadership and empower young people in their rights.

2. What experience do you have on the international level?

On the international level I have represent my organization in the last IFM-SEI Congress where I got the representation of IFM in the Latin-American Youth Forum (FLAJ) where I'm part of the directive committee and the secretary of the board.

In representation of FLAJ I've organized the FEULAT (Euro-LA youth forum) and I become member of the SOFOC the steering committee for the world youth conference. Also I have represented IFM-SEI in different seminars and events.

XXV IFM-SEI Ordinary Congress
15th to 18th of April 2010

3. What particular competence will you contribute to the work of the Presidium or the Control Commission?

I consider myself really active and creative so I can contribute with this on behalf of IFM- SEI also I have been involved in several actions with the youth movement so I can contribute with the relations of IFM inside the youth movement.

In Latin America I can contribute to consolidate the process of growing and empower our organizations in the youth movement.

Also I would like to promote gender equality inside our organization and the promotion of the women and LGBT rights.

4. What is your vision for the further development of the IFM-SEI and what could be your contribution to the reform process?

I think IFM-SEI should continue with the vision of consolidating and growing but also has to post itself at the international level working with the UN agencies and also promoting public policies and law transformations in behalf of children and young people.

Also it's important to IFM to keep being a life changer of the kids that get involved in our organizations and projects and can contribute to the social change in our society.
