Dear Comrades,

Convening of the XXV Ordinary Congress of IFM-SEI

It is with great pleasure that I convene the XXV Ordinary Congress of IFM-SEI. The Congress will take place between 15 – 18 April 2010.

In accordance with the constitution of IFM-SEI, the Congress is the supreme body of IFM-SEI. It shall take place three years after its last meeting.

The IFM-SEI Congress is our opportunity as a democratic, membership-based movement to contribute to the development of our international, to consider how best to work together for the achievement of children's rights and to motivate and empower our members for the work ahead.

A final, detailed agenda, together with the draft strategy and work-plan 2010 – 2013 and finalised Congress documents will be circulated to all members in good time. I would encourage you to dedicate time in your movement to discussing the work-plan, your ideas for the development of the movement and to consider what direction you would like to see IFM-SEI moving in the coming period. I look forward to receiving your additions and amendments to the strategy and work-plan, motions from your movements and your nominations for the upcoming elections.

In friendship
