Questionnaire for nominees to the Presidium or to the Control Commission

(To be completed in by candidates and to be endorsed by nominating organisation)

1. What experience do you have in your organisation?

I'm part of Manque Chile for 20 years, where I have led more of 10 groups in the region of Coquimbo, occupying the vice-presidents' charges, secretary of organization and for two years I am a national chairwoman, directing to 50 groups to national level. Manque am president of Chile for 5 years.

At the practice I have been employed with childrens of high social vulnerability, in Chile in my organization I have informed and directed big activities all for the infancy and youth, where we aspire to give them an integral formation because I believe that childrens are the present and future of the peoples, The generated changes product of the technological impact and of the globalization in recounted to economic, political, social and cultural transformations presents Chile like an advanced country in the social economy of market, nevertheless we have been raised by the challenge of contributing to policies where the infancy is placed in the center of the worries of the leaders ". I believe even that a better world is possible.

Because, as Eduardo Galeano says, the Utopia is in the horizon, I approach two steps, and it moves away two steps; I travel ten steps and the horizon moves along ten steps farther, for much that I never travel I will reach her.

Why does the Utopia serve? To walk. For it serves.

2. What experience do you have on the international level?

10 years ago I had the responsibility of representing to my political youth in the IUSY, being present at advices, last one was on the City of Mexico the year 1998.

2004 to the date I am A Regional Latin-American Secretary of IFM-SEI
From 2007 I am Vice-president IFM-SEI.

3. What particular competence will you contribute to the work of the Presidium or the Control Commission?

I am very participative, have a great capacity of management; I like to organize and to prepare instances of discussion, reflection and diffusion on the matters that call for the IFM-SEI. I am expert in the production, elaboration and formulation of social projects and trainings and highly management of resources.

I have prepared in Chile three international events with cost zero for the IFM-SEI and everything managed from Chile: 1.-Latin-American Seminar in Pichidanguí Chile 2005; 1Latin-American Camp, 2007 and international Meeting in November and other latinoamerican meeting. And I visiting groups from the region, Peru, Bolivia, Ecuador and Uruguay.

XXV IFM-SEI Ordinary Congress
15th to 18th of April 2010

4. What is your vision for the further development of the IFM-SEI and what could be your contribution to the reform process?

On the verge of the 21st century, Our Vision like IFM-SEI must be characterized eminently by our qualitative elements. We wanted to be known as the international one:

Modern, decentralized impeller and articulated of the different initiatives in all the continents linking itself with the public as private institutions.

Executive, with capacity of decision, based on an intelligent organization that leads the strategic development of the Regions where we are present, uniting the skills of the organizations with the knowledge and the creativity personnels.

Humanist, with a culture of organizations motivated that leads to structures and internal exemplary processes, rescuing and fomenting our potential for the service and well-being of the infancy and youth

We try to be leaders in Latin America and the world in our activity for which we will have to full the political platforms of each one our countries.... and that we have come ... iberaamericano spaces, FLAJ
